A NOTE TO OUR READERS

Dear Readers,

Since the beginning of the year, the Group's Founding Chairman has announced several exciting initiatives including the first endowment residential and commercial project in Al Bada'a, Dubai in collaboration with the Awqaf and Minors Affairs Foundation.

In Springfield, Illinois, Al Habtoor announced the Dr Khalaf Al Habtoor and Congressman Paul Findley's Children Fund, a collaboration with the Central Illinois Foodbank to donate \$500,000 to feed children in 21 central and southern Illinois counties. The Group renewed its sponsorship for the 14th Sheikh Zayed Charity Marathon in New York. HRH Prince Khalid Al-Faisal bin Abdul Aziz Al Saud was honoured with the second Khalaf Ahmad Al Habtoor Achievement Award in March 2018.

Al Habtoor City's resident show, La Perle by Dragone was named Best Theatre Performance at the prestigious Time Out Dubai Music & Nightlife Awards, celebrating the best of Dubai's entertainment industry. Congratulations!

Diamondlease launches its brand-new website and Al Habtoor Motors unveils the all-new Eclipse Cross at its showrooms across the UAE.

Good evening ladies and gentlemen,

It gives great pleasure to award our best performing staff at this year's Employee Excellence Awards. I am proud of all their achievements. A big number of our winners this evening come from India, a fact that does not surprise me. I know our Indian staff to be hardworking, honest, leaders in their area of expertise, motivated and ambitious to grow. They are partners in our success since the start, and I thank them for their loyalty.

Succeeding in today's world is a challenge, and I prefer not to look at things through rose-coloured glasses. Indeed, we have achieved great things, but we still have not achieved what I want. We have not yet reached the goals I have set for us. We have a long way ahead of us, and we need to put our hands together, think positively and not let problems or obstacles deter us. People who are discouraged by problems are not our people.

Ladies and gentlemen, "trying our best" is not enough and should be omitted from our dictionary, Believe me when I tell you that everything is possible provided we put our hands together. I cannot do it alone. No one cannot do it alone. We must work together, think together to achieve together.

One of the strengths in our Group, as in Dubai and the UAE, is that you find people from all corners of the world. We learn from each other every single minute. We learn from everybody, men and women... from Africa, Asia, Europe, England, America, we learn from each other.

This is why my country is very successful. We award people who achieve. We award people who are our partners in the growth. Those who are honest and loyal to the soil of the United Arab Emirates. We appreciate everyone who contributes to our success, and that is why we achieve great results, better than anywhere in the world.

This country is the safe haven of the world, ladies and gentlemen. This land is the land of opportunity. This is the truth. Nobody will discriminate against you, whether you are Christian, Hindu, Muslim, Jewish or Buddhist. We are all brothers and sisters. We work under one flag. This is why we are successful! This is why we are achieving results at the end of the day!

We have to work hard. We should not give up. Competition is strong everywhere in the world, but we must remember that in the United Arab Emirates, and in particular Dubai, we are more successful than anywhere in the world because we work together.

I have worked in Europe, in the United States, almost everywhere in the Arab world and we are number one, believe me! We can and will achieve more and more together in the coming years.

I wish you all the best.

Khalaf Ahmad Al Habtoor
Founding Chairman, Al Habtoor Group

The Khalaf Ahmad Al Habtoor Achievement Award

Khalaf Ahmad Al Habtoor honours HRH Prince Khalid Al-Faisal bin Abdul Aziz Al Saud with the second Khalaf Ahmad Al Habtoor Achievement Award.

The second Khalaf Ahmad Al Habtoor Achievement Award (KAHAA) honoured HRH Prince Khalid Al-Faisal bin Abdul Aziz Al Saud, Governor of Mecca at a ceremony held at The St. Regis Dubai, Al Habtoor City on Tuesday 20 March 2018. Prince Sultan bin Khalid Al-Faisal Al Saud collected the award on his father's behalf.

HRH Prince Khalid Al-Faisal bin Abdul Aziz Al Saud, son of His late Majesty King Faisal of Saudi Arabia, is currently

serving as Governor of Mecca for his second term after being reappointed in January 2015. Throughout his career, His Royal Highness has received several awards from academic institutions and global recognition for his contribution to furthering cultural, artistic and educational understanding.

The Khalaf Ahmad Al Habtoor Achievement Award was established in 2017 to recognize individuals or organizations with a proven

track record of contributing to the advancement of arts and culture in the Middle East.

The award is given to artists, writers, scientists, academics and athletes who have excelled in their field and who have had a lasting impact on society for at least three decades of service to their industry. The inaugural award was given to the late Kuwaiti actor and writer Abdul Hussein Abdul Redha.

The ribbon cutting ceremony took place on 21 January 2018

Khalaf Ahmad Al Habtoor inaugurates residential and commercial endowment in Al Bada'a, Dubai

Khalaf Ahmad Al Habtoor inaugurates the first endowment residential and commercial project in Al Bada'a, Dubai in collaboration with the Awqaf and Minors Affairs Foundation (AMAF) on the occasion of the Year of Zayed.

Khalaf Ahmad Al Habtoor inaugurated the first endowment residential and commercial project in Al Bada'a, Dubai launched in collaboration with Awqaf and Minors Affairs Foundation on 21 January 2018.

Back in December 2016, AMAF and Khalaf Ahmad Al Habtoor signed an endowment investment contract

to launch the project that seeks to enhance the living standards of the underprivileged and assist them in meeting their basic needs.

The private-public partnership is a milestone in establishing a true model of cooperation and social solidarity and aims to empower local society, create job opportunities, and enhance overall social and economic welfare of

the community.

At a total cost of AED 8 million, the new project is expected to generate AED 1.5 million annually. The building consists of a ground floor and three upper floors with a total floor area of 25,309 sq ft and a land area of 5,433 sq ft. The commercial section spans 1,086 square feet, while the residential section comprises 21 one-bedroom apartments.

Philanthropist Khalaf Ahmad Al Habtoor Launches \$500,000 Children's Fund in Illinois

Khalaf Al Habtoor donates \$500,000 over a period of five years to help distribute healthy food for children in 21 central and southern Illinois counties.

Al Habtoor Group Founding Chairman unveiled the 'Dr Khalaf Al Habtoor and Congressman Paul Findley's Children Fund,' a collaboration with the Central Illinois Foodbank and the Al Habtoor Group in February 2018. Al Habtoor made the announcement on a visit to Springfield, Illinois, where he met with local dignitaries, including the City of Springfield Major Jim Langfelder and members of the Honorable Paul Findley's family.

Al Habtoor said, "I am delighted to launch the Children's Fund in my name and Congressman Paul Findley's name. Every child has a right to getting food on their plate irrespective of race or religion. There are far too many people in the world suffering from extreme hunger. This is unacceptable in this day and age. I urge everyone to do whatever they can to help those less fortunate. It is our duty as human beings to help wherever possible."

The Fund's aim is to provide nutritious food to children who are dealing with food insecurity, to provide healthy options to address nutrition needs related to health conditions of many who access pantries and to provide nutrition education and safe food handling and preparation skills necessary to utilize the products being distributed. Food distribution will take place at schools, subsidized housing, federally qualified health centres, and community organisations.

Al Habtoor Group renews sponsorship for 14th Sheikh Zayed Charity Marathon in New York

Khalaf Al Habtoor announced that the Group has signed a contract to sponsor the 14th Sheikh Zayed Charity Marathon in New York on Monday 26 February 2018.

The event will be held in Central Park, New York, on 29 April 2018. The proceeds will go to National Kidney

Foundation, a specialised hospital for kidney research and treatment in the US.

Al Habtoor said, "The late founding father, Sheikh Zayed bin Sultan Al Nahyan, has laid solid foundations for voluntary and charitable work and left significant hallmarks on the

humanitarian work locally and globally."

The annual Zayed Charity Marathon in New York, also known as UAE Healthy Kidney 10K, was founded in 2005.

Every year nearly 30,000 runners take part in the event making it one of the top 10 marathons globally.

La Perle by Dragone wins Best Theatre Performance!

La Perle by Dragone was named Best Theatre Performance at the prestigious Time Out Dubai Music & Nightlife Awards, celebrating the best of Dubai's entertainment industry.

Shortlisted in a category of 10 top shows, La Perle was victorious, an exciting achievement since the show officially opened in September 2017. The awards were voted by Time Out Dubai's anonymous review panel, who have spent the past year visiting hundreds of locations to scout what the city has to offer, both for residents and tourists.

Khalaf Ahmad Al Habtoor said, "I would like to congratulate the team at La Perle by Dragone at Al Habtoor City on receiving the Best Theatre Performance Award from Time Out. The show has earned its place on the

world stage as an artistic phenomenon in the region. This award emphasizes its position as a world-class act and seals Al Habtoor City's place as a luxury lifestyle destination."

Craig Hartenstine, Executive Producer of La Perle, who collected the award on the night, said: "We're thrilled to have been awarded this accolade. We thank Al Habtoor Group for making it all possible, Franco Dragone for being the creative genius behind this now award-winning performance and of course the guests, who have watched and supported the show.

"As Dubai's first resident show, we strive to give our audience the best show that they have ever seen twice a night, five nights a week. To be named Best Theatre Performance is incredible recognition of everyone's hard work, not only of our 65 world-class artists you see on stage, but our gifted technical wizards and dedicated operational crew behind-the-scenes too. We can't wait to continue our success for many years to come as La Perle becomes the cornerstone of live entertainment in Dubai and throughout the region."

EMIRATES INTERNATIONAL SCHOOLS

International Day at EIS Jumeirah

Once again, International Day lived up to its reputation as one of the calendar highlights.

On Monday 12 March 2018 the EIS-Jumeirah community joined together to celebrate our togetherness and diversity through dance, culture, food and many other events and activities.

A large team of parents and staff were directly responsible for the creation of 22 country booths while almost 300 students were directly involved in either presenting country booths or providing entertainment. Audiences in the theatre and outdoors enjoyed songs and dances representing many of our home countries.

As is customary on this day, an amazing variety of food was presented and enjoyed as a celebration involving the entire EIS-Jumeirah community.

EIS Jumeirah alumni success!

We are very pleased to share that our alumni Harris Rasheed from the Class of 2010 has been invited by the International Baccalaureate (IB) to participate in the IB Asia Pacific's largest annual event in March 2018. The event was held in Singapore with the theme "Shaping the Future" and coincides with the 50th birthday of the IB.

Harris is fondly remembered for his untiring service to the school community. He won the Service Award from Years 10 to Year 13 consecutively. Harris was also passionate about football and supported the P.E. Department as a referee for the Dubai Schools League. The love for the sport and thirst for entrepreneurship led to a unique venture.

Harris' passion for Computer Science, which started at EIS, has seen him work at top technology companies like BlackBerry, IBM, Intel Security, Microsoft and Uber. Harris will be speaking at the conference about how the IB has equipped him for his chosen field of expertise. Harris fondly remembers EIS, and in his own words has stated: "It has been a long journey from Dubai to Silicon Valley but it started with a solid foundation; the IB program at Emirates International School."

1. Contestants were Taksh Giridhar (Year 9), Vashitaa Prasad (Year 7), and Yehia Alhelaly (Year 2). 2. Celebrity Chefs Mansour Memarian, Mariano Andres Puerta and Sanjeev Kapoor were among the panel of judges 3. The winners of TV reality show "Foodshala", Emirates International School Jumeirah, proudly hold the Champions' cup pictured with Principal David Hicks.

Cooking up Victory for EIS-Jumeirah!

'Foodshala Kids' is the first competition of its kind in the region.

Over 50 schools participated, hoping to win the prize, an exciting trip to Disneyland. Our three EIS contestants were Taksh Giridhar (Year 9), Vashitaa Prasad (Year 7), and Yehia Alhelaly (Year 2). The competition was tough and very competitive with talented young chefs from throughout the region taking part. Yehia, Taksh and Vashitaa practiced daily to perform at their very best. This involved much planning, cooking, and trying out tweaks on some favourite recipes.

Our students had a flavour of life as a TV star. On set, days were long as there was much to do before the camera crew were ready to finally

shoot. The judges evaluated the concept, taste, appearance, technical skills, presentation, and execution of the dishes. Judges came from across the region and included celebrity chefs Mansour Memarian, and Mariano Andres Puerta.

Celebrated as a master of Indian cuisine, Celebrity Chef Sanjeev Kapoor, judged the final on the theme "A meal fit for a king". Teams were required to prepare, cook, and present a starter, main course and dessert within two hours. Students watched anxiously as Chef Sanjeev delivered his final critique on each dish. Food teacher, Alan Kaid, and parents looked on with pride and delight as the students of EIS-Jumeirah were ultimately declared 'Foodshala Kids' winners.

World Book Day

All students, teachers and classroom helpers dressed up as a character from a book to share in the global celebration of World Book Day on 23 April 2018.

The day started with the Senior Leadership Team greeting the parents and students as they arrived at the school in the morning. The whole school was an array of colour and characters, as more and more people arrived. The costumes were well thought out and most of the students were carrying their books, to show which character they were representing.

Not only did the students show off their costumes in a parade but they also got the opportunity during the day to drop everything and read.

The atmosphere was exciting and enjoyed by all.

Mitsubishi UAE - Al Habtoor
Motors launches the
all-new Eclipse Cross across its
showrooms in the UAE

A test drive was held at Dubai Autodrome on 7 February 2018, for members of the motoring media, exclusive guests and automobile enthusiasts who put the all-new 2018 Eclipse Cross through its paces.

1. The front design features Mitsubishi's trademark Dynamic Shield concept 2. The AI Habtoor Motors Mitsubishi UAE team

Dynamic Design With Character

The all-new 2018 Eclipse Cross is a fusion of sharp coupe looks and dynamic SUV mobility with signature Mitsubishi styling, technology and driving confidence.

The sharp and dynamic form of the all-new Eclipse Cross is distinguished by its wedge profile with its bold beltline and strong character line; a forward raked rear window; the sharply truncated rear gate and short overhang; and muscular wings that contribute to an athletic appearance. The front design features Mitsubishi's trademark Dynamic Shield concept, which refers to the protective shield shape visually formed by the black central area and highlighted by bold bright work on either side of the grill. Distinctive auxiliary lamps are recessed deep in the front fascia adding drama and sophistication to

the SUV's front-on appearance.

At the rear, the high-mounted, stretched rear lamps divide the rear window into eye-catching upper and lower segments and when illuminated the tubular LED and central LED brake lights form a single bar of light running across the tail, giving the Mitsubishi Eclipse Cross a broad and unmistakable appearance from the rear. The Mitsubishi Eclipse Cross also heralds the arrival of a new red body colour. The standard coating is layered with semi-transparent red and clear coating, and this creates high levels of colour saturation with a

highly-refined finish.

Inside, the new SUV's dashboard is shaped using horizontal lines, with silver metal frames and a black and silver monotone colour scheme helping to create a sense of refinement that is both dynamic and sporty. With its Rockford Fosgate Sound System that delivers the music reproduction of a quality home system and new Head Up Display, the futuristic cockpit inspires a sense of excitement for the driver. For maximum comfort and flexibility, the rear seat features a 60:40 split with long slide-and-recline adjustment.
